

## Canadian Insider Trading Regulatory Filings Available Through SEDI® - SCRIBE™

TMX Datalinx™ is pleased to introduce SEDI-SCRIBE on behalf of CDS Innovations Inc. (a subsidiary of The Canadian Depository for Securities Limited).

### Description

SEDI-SCRIBE is the only comprehensive source for filings regarding holdings and transactions of insiders in Canadian public companies.

This insider filings data is directly derived from SEDI, the System for Electronic Disclosure by Insiders, which is an application created under the authority of Canadian securities regulators to facilitate filing by insiders and the dissemination of insider transaction reports. Insiders (directors, senior officers and significant shareholders), who are required by provincial securities laws to file insider reports, use SEDI to make these filings in electronic format.

Data is delivered to subscribers in an easy to use delimited text format

### Features

- ✓ The only official supply of public regulatory documents sourced directly from SEDI
- ✓ Content enhanced by the addition of issuer information derived from SEDAR® - the System for Electronic Document Analysis and Retrieval
