BULLETIN TYPE: NOTICE TO ISSUERS
BULLETIN DATE: October 3, 2001
RE: Former Bourse Issuers with a ' Significant Connection to Ontario'

Former Bourse issuers listing on CDNX ("Bourse Issuers"), that are not otherwise reporting issuers in Ontario and have a "Significant Connection to Ontario" (as defined in the CDNX Corporate Finance Policies), are required to make application to the Ontario Securities Commission and become reporting issuers in Ontario. CDNX has amended its Corporate Finance Policies to provide transitional relief, **to Bourse Issuers only**, from the obligations under the "Significant Connection to Ontario" policies until **May 31, 2002**. This relief is intended to mirror the transitional blanket relief provided by the Alberta Securities Commission and the British Columbia Securities Commission from certain continuous disclosure filing obligations and fees for Bourse Issuers.
