

It's good to be heard  
...and seen!

**Get 'On the Radar' with Canada's Premier Company Showcase.**

The TMX Equicom 'On the Radar' program has been designed specifically to meet the needs of TSX and TSX Venture issuers looking to **maximize** their time and efforts in building awareness within the Canadian retail brokerage community. Our approach provides **exposure**.

Equicom is Canada's leading investor relations consulting firm offering a comprehensive suite of products and services that assist companies in achieving their capital markets objectives.

## On the Radar Company Showcase

'On the Radar' provides an opportunity for public companies to present their stories to a qualified audience of retail brokers and investment professionals in Canada's main financial centres. The program has been running successfully for almost 10 years and has showcased more than 500 companies.
