## TMX Select™ Receives Regulatory Approval Launch Date of July 11, 2011

TMX Select, TMX Group Inc.'s equities alternative trading system (ATS), is pleased to announce it has received regulatory approval from the Ontario Securities Commission (OSC) and the Investment Industry Regulatory Organization of Canada (IIROC) to operate as an ATS.

Owned and operated by TMX Group, TMX Select is a new visible Canadian ATS offering participants additional execution and liquidity seeking opportunities through a differentiated marketplace and pricing model.

TMX Select is also confirming a planned launch date of Monday July 11, 2011. Upon launch, TMX Select will enable a few symbols for trading, with others being enabled over time in a phased approach. Further information on the symbol roll-out will be published next week. In addition, the TMX Select fee schedule is expected to be announced early next week.

As a reminder, TMX Select is currently available for customer and industry testing in the TMX Gateway Testing Environment (GTE), and a subscriber package is available with all required documentation needed to become a subscriber and to begin trading on TMX Select. All documentation related to TMX Select, including order entry and data feed specification documents, is available through the TMX Select website and document portal located at [www.tmxselect.com](http://www.tmxselect.com).
